

Chinese Character Learning Assistant

Kane Hadley

Path

- Goals
- Approach
- Near Future
- Distant Future

Goals

- Written Chinese Character Learning Assistant Creativity attributes
- Get a feel for the tool chain
- Foundation

Approach

- Data Generation
- Classification
- Interface

Near Future

- Improve data generation – server
- Classifier

Distant Future

- Segmenting – Bayesian Program Learning - Tenenbaum
- Ordered DRAW
- Network Visualization – Mordvintsev
- Visual Attention and Representation

Thank you to Joscha, Adam,
and Manu for making the class
possible.

Thank you to the class for the
sharing of ideas and helping
each other learn
